Dear Sirs,

Sub: Update on Vizag Plant of Alivira Animal Health Limited

We write to inform that there was a fire in the Process Development Lab of Alivira Animal Health Limited, a wholly owned subsidiary of the Company located at JNPC-SEZ, Parawada Mandal, Vizag. Minor damages have occurred to the wet laboratory of the facility. The fire was controlled with the help of local fire agency and there were no injuries to anyone.

The Production block is totally separate and there has been no impact on the same.

Estimation of the damage to the laboratory is under process. The entire facility is adequately covered under insurance.

Consequent to the fire, as a process, the Andhra Pradesh Pollution Control Board has issued a stop production order for our unit until the area is cleaned up. The Company is in the process of getting the necessary inspections completed in order to commence the production shortly.

This incident does not have any significant impact on the financial and business operations of the Company.

Thanking you

Yours faithfully,
For Sequent Scientific Limited
