RISK FACTORS

Relating to the Underlying Transaction:

1. As on the date of this Draft Letter of Offer, to the best knowledge of the Acquirer and the PAC, except as mentioned in Part C (*Statutory and other Approvals*) of Section VI (*Terms and Conditions of the Offer*) of this Draft Letter of Offer, there are no statutory approvals required by the Acquirer and / or the PAC, to complete the Underlying Transaction and this Open Offer.
2. The Underlying Transaction and this Open Offer are also subject to certain conditions precedent in the SPA (*as defined below*) and if these conditions are not satisfied or waived in accordance with the terms of the SPA, or any termination event occurs, the Underlying Transaction may be terminated. The transactions contemplated under the Ascent SPA (*as defined below*) forming a part of the Underlying Transaction are subject to certain conditions precedent contemplated in the Ascent SPA and if these conditions are not satisfied or waived in accordance with the terms of the Ascent SPA, or any termination event occurs, then the Ascent SPA may be terminated.
3. In the event that the statutory approvals referred in Part C (*Statutory and other Approvals*) of Section VI (*Terms and Conditions of the Offer*) are not received, or rejected, or refused, for any reason, or if the conditions precedent as specified in the SPA are not satisfied, for reasons outside the reasonable control of the Acquirer and the PAC, the Acquirer and the PAC, shall have the right to withdraw this Open Offer in terms of Regulation 23 of the SEBI (SAST) Regulations.
4. The information contained in this Draft Letter of Offer is as of date of this Draft Letter of Offer unless specified otherwise. The Acquirer, PAC and the Manager are under no obligation to update the information contained herein at any time after the date of this Draft Letter of Offer.
5. The Acquirer, the PAC and the Manager accept no responsibility (nor shall any persons deemed to be acting in concert with the Acquirer be responsible) for statements made otherwise than in the PA, the DPS, this Draft Letter of Offer or in the advertisement or any materials issued by or at the instance of the Acquirer and/or PAC, excluding such information pertaining to the Target Company, which has been obtained from publicly available sources or provided or confirmed by the Target Company. Any person placing reliance on any other source of information will be doing so at his/her/its own risk.

Relating to the Open Offer:

1. In the event that either: (a) regulatory or statutory approvals, as required, are not received in time; or (b) there is any order, of a governmental authority, or in a litigation, leading to a stay / injunction on the Open Offer or that restricts / restrains the Acquirer along with the PAC from performing its obligations hereunder; or (c) SEBI instructs the Acquirer and/or the PAC not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer. In case the delay is due to non-receipt of statutory approval(s), then in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that non-receipt of approvals was not due to any wilful default or failure or neglect on the part of the Acquirer and/or the PAC, grant an extension for the purpose of completion of the Open Offer subject to the Acquirer and the PAC agreeing to pay interest to the validly tendering shareholders at such rate as may be specified by SEBI. Where the statutory approvals extend to some but not all the shareholders, the Acquirer along with the PAC will have the option to make payment of the consideration to such shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.

Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs, and FPIs) had required any approvals (including from the RBI, the FIPB or any other regulatory / statutory authority) in respect of the

Equity Shares held by them, they will be required to submit copies of such previous approvals, along with the other documents required to be tendered to accept this Offer. In the event such approvals are not submitted, the Acquirer and the PAC reserve the right to reject such Equity Shares tendered in this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on a repatriable or a non-repatriable basis.

3. The Acquirer and the PAC may withdraw the Offer in accordance with the terms and conditions specified in Part C of Section VI (*Terms and Conditions of the Offer*) of this Draft Letter of Offer. In the event of a withdrawal of the Offer, the Acquirer and the PAC (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make a public announcement, in the same newspapers in which the Detailed Public Statement was published, stating the grounds for withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
4. In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares, the Acquirer and the PAC shall accept those Equity Shares validly tendered by the Public Shareholders on a proportionate basis as detailed in Section VII (*Procedure for Acceptance and Settlement of the Offer*) below. Therefore, there is no certainty that all the Equity Shares tendered in the Offer will be accepted. The unaccepted Equity Shares will be returned to the respective Public Shareholders in accordance with the schedule of activities for the Offer.
5. From the tendering of shares by the Shareholders to the settlement of the Open Offer, there may be fluctuations in the market price of the Equity Shares and the shareholders will not be able to trade in such Equity Shares held in trust by the Registrar to the Offer that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Open Offer. The Acquirer, the PAC and the Manager make no assurance with respect to the market price of the Equity Shares both during the Tendering Period and upon the completion of the Offer, and disclaim any responsibility with respect to any decision by any Public Shareholder on whether or not to participate in the Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.
6. Shareholders who tender the Equity Shares in acceptance of the Open Offer shall not be entitled to withdraw such acceptances during the Tendering Period, even if the acceptance of the Equity Shares in this Open Offer and/or dispatch of consideration is delayed.

3. The Acquirer and the PAC make no assurance with respect to the market price of the equity shares of the Target Company before, during or after the Open Offer and expressly disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any shareholder on whether to participate or not to participate in the Open Offer.
4. 8.1 General

- 8.1.1. The basis of charge of Indian income-tax under Income Tax Act 1961 (**‘Income Tax Act’**) depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) as also income received by such persons in India. In case of shares of a company, the source of income from shares will depend on the “situs” of such shares. As per judicial precedents, generally the “situs” of the shares is where a company is “incorporated” and where its shares can be transferred.
- 8.1.2. Accordingly, since the Target Company is incorporated in India, the Target Company’s shares should be deemed to be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Income Tax Act.
- 8.1.3. Taxability of capital gains arising to a non-resident in India from the transfer of equity shares shall be determined on the basis of the provisions of the Income Tax Act or Double Taxation Avoidance Agreement (“DTAA”) entered between India and the country of which the non-resident seller is resident read with Multilateral Instrument (“MLI”) as may be in effect, whichever is more beneficial, subject to fulfilling relevant conditions, and non-applicability of General Anti-Avoidance Rule (“GAAR”) and maintaining and providing necessary documents prescribed under the Income Tax Act.
- 8.1.4. The Income Tax Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- 8.1.5. The summary of income-tax implications on tendering of listed equity shares on recognised stock exchanges in India is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

8.2 Classification of Shareholders:

8.2.1. Shareholders can be classified under the following categories:

- a) Resident Shareholders being:
 - i. Individuals, Hindu Undivided Family (“HUF”), Association of Persons (“AOP”) and Body of Individuals (“BOI”)
 - ii. Others
- b) Non-Resident Shareholders being:
 - i. Non-Resident Indians (“NRIs”)
 - ii. Foreign Institution Investors (FIIs) / Foreign Portfolio Investors (FPIs)
 - iii. Others:
 - Company
 - Other than company

8.3 Classification of Income

8.3.1. Shares can be classified under the following two categories:

- a) Shares held as investment (Income from transfer taxable under the head “Capital Gains”).
 - b) Shares held as stock-in-trade (Income from transfer taxable under the head “Profits and Gains from Business or Profession”).
- 8.3.2. Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade).

8.4. Shares held as investment

- 8.4.1. As per the provisions of the Income Tax Act, where the shares are held as investments (i.e. capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital Gains in the hands of shareholders will be computed as per provisions of Section 48 of the Income Tax Act. Additionally, securities held by FIIs/ FPIs are treated as capital assets under Section 2(14) of the Income Tax Act (whether or not such asset is being held as a capital asset).

8.5. Period of holding

- 8.5.1. Depending on the period for which the shares are held, the gains will be taxable as “short-term capital gain” or “long-term capital gain”:
- a) In respect of equity shares held for a period less than or equal to 12 (Twelve) months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “Short-Term Capital Gains” (“STCG”).
 - b) Similarly, where equity shares are held for a period more than 12 (Twelve) months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “Long-Term Capital Gains” (“LTCG”).

8.6. Tendering of Shares in the Offer through a Recognized Stock Exchange in India

- 8.6.1. Where a transaction for transfer of such equity shares (i.e. acceptance under an open offer) is transacted through recognised stock exchanges and is chargeable to Securities Transaction Tax (“STT”), then the taxability will be as under (for all categories of shareholders):
- a) The Finance Act, 2018 has withdrawn the exemption under section 10(38) for LTCG arising from transfer of equity shares on or after 1 April 2018. Section 112A of the Income Tax Act provides for taxation of income arising from the transfer of such shares, which is explained in the following paragraphs.
 - b) The gain accrued on such equity shares till 31 January 2018 has been exempted by providing that for the purpose of computing LTCG the cost of shares acquired before 1 February 2018 shall be the higher of the following:
 - i. Actual cost of acquisition; or
 - ii. Lower of: (A) Fair Market Value, and (B) full value of consideration received or accruing as a result of the transfer of the shares. Fair Market Value has been defined to mean the highest price of the equity share quoted on any recognized stock exchange on 31 January 2018.
 - c) After taking into account the above, LTCG arising from transfer of equity shares, exceeding Rs.100,000, will be taxable at 10% without allowing the benefit of indexation.
 - d) However, section 112A of the Income Tax Act shall not apply if such equity shares were

acquired on or after 1 October 2004 and Securities Transaction Tax ('STT under Chapter VII of the Finance (No. 2) Act, 2004') was not paid. In this regard, the Central Government has issued a notification no. 60/2018/F. No. 370142/9/2017-TPL dated 1st October, 2018, providing certain situations wherein section 112A of the Income Tax Act will continue to be applicable even if STT is not paid at the time of acquisition of equity shares. The notification provides for the following situations:

- A. Where acquisition of existing listed equity share in a company, whose equity shares are not frequently traded on recognised stock exchanges of India, was made through a preferential issue, subject to certain exceptions;
- B. Where transaction for acquisition of existing listed equity share in a company was not entered through recognised stock exchanges of India, subject to certain exceptions; and
- C. Acquisition of equity share of a company during the period beginning from the date on which the company was delisted from recognised stock exchanges and ending on the date on which the company was again listed on recognised stock exchanges in accordance with the Securities Contracts (Regulation) Act, 1956 read with the SEBI Act and any rules made thereunder.

In terms of the said notification, STT need not have been paid on acquisition of shares (that are frequently traded) and still be eligible for claim of Section 112A benefit in the following situations:

- I. Acquisition by scheduled banks, reconstruction or securitisation companies or public financial institutions during their ordinary course of business;
 - II. Acquisitions approved by the Supreme Court, High Courts, National Company Law Tribunal, Securities and Exchange Board of India or Reserve Bank of India;

 - VIII. Acquisition by mode of transfer referred to in section 47 or section 50B or sub-section (3) of section 45 or subsection (4) of section 45 of the Income-tax Act, if the previous owner or the transferor, as the case may be, of such shares has not acquired them by any mode referred to in clause (A) or clause (B) or clause (C) other than the transactions referred to in the proviso to clause (C) or clause (B)
- e) Where provisions of section 112A of the Income Tax Act are not applicable, LTCG will be chargeable to tax at 20%. In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and cess) in accordance with provisions of section 115AD of the Income Tax Act. However, for a resident shareholder, an option is available to pay tax on such LTCG under section 112 of the Income Tax Act at either 20% with indexation or 10% without indexation.

- f) STCG arising from such transaction will be subject to tax @ 15% under Section 111A of the Income Tax Act.
- g) Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is required to be considered while computing tax on such LTCG or STCG taxable under Section 112, 112A or 111A of the Income Tax Act. In addition to the above LTCG or STCG tax, applicable Surcharge, Health and Education Cess are leviable (Please refer to Paragraph 8.9 below for rate of surcharge and cess).
- h) Minimum alternate tax (“MAT”) implications may get triggered for certain companies’ resident in India and should be assessed by each of such shareholder.  - i. In absence of any specific provision under the Income Tax Act, the Acquirer and the PAC are not required to deduct tax on the consideration payable to resident Shareholders pursuant to the said offer.
- b) In case of Non-resident Shareholders
 - i. In case of FIIs: Section 196D of the Income Tax Act provides for specific exemption from withholding tax in case of Capital Gains arising in hands of FIIs. Thus, no withholding of tax is required in case of consideration payable to FIIs.

In doing this, the Acquirer and the PAC will be guided by generally followed practices and make use of data available in the records of the Registrar to the Offer except in cases where the non-resident Shareholders provide a specific mandate in this regard.

The responsibility of discharging the tax due on the gains (if any) is primarily on the non-resident Shareholder. The non-resident Shareholder must compute such gains (if any) on this transaction and immediately pay applicable taxes in India, if applicable, in consultation with their custodians/ authorized dealers/ tax advisors appropriately. The non-resident Shareholders must file their tax return in India inter-alia considering gains arising pursuant to this Offer in consultation with their tax advisors.

The non-resident Shareholders undertake to indemnify the Acquirer and the PAC if any tax demand is raised on the Acquirer and the PAC on account of gains arising to the non-resident Shareholders pursuant to this Offer. The non-resident Shareholders also undertake to provide the Acquirer and the PAC, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Offer, copy of tax return filed in India, evidence of the tax paid etc.

- c) Payment of interest

In case of interest payments by the Acquirer for delay in payment of Offer consideration or a part thereof, the Acquirer will deduct taxes at source based on NOC or certificate for deduction of tax at nil/lower rate. In an event of non-submission of NOC or certificate for deduction of tax at nil/lower rate, tax will be deducted at the maximum marginal rate as may be applicable to the relevant category, to which the Public Shareholder belongs, by the Acquirer.
