Detailed presentation on the performance forms part of this press release.

Commenting on the Company's performance, **Dr Hari Babu Bodepudi, Managing Director and Group CEO** stated

"We mark a significant milestone today, announcing results of the merged entity for first time. The results of Q3FY25-26 are an indication of the actions we have taken and the momentum we have built across the last few quarters, working as one team. Revenue, margins, profitability all have continued to show strong growth on the back of new product introductions, cost improvement and synergies across our business units. We have a strong balance sheet and market position and are geared up for capturing the market opportunity in the next 3-5 years. The merger is starting to generate benefits across R&D, manufacturing and front-end, all of which make us very excited for the journey ahead."
